NB: We are a water only school – please ensure that drink bottles contain water only

There are a couple of really busy weeks coming up . . . there are lots of events happening at school and beyond, with children going here, there and everywhere . . . "Herding cats" comes to mind! Please don't hesitate to ring us if you need anything clarified.

Room 1 and Room 2's Y2 children to the 'Songs of the Sea' performance: A reminder that this is happening on Tuesday. It will be a very exciting day for everyone! The children will bus up to the Carterton Events Centre at morning tea time with Susan and Janine, and they will be back in time for lunch. It sounds like a really good production and no doubt it will generate lots of great writing! I am sure your wee ones will be full of it all when they get home that afternoon . . . I'll make sure that there are lots of photos taken!

Featherston Matariki Festival: This is going ahead next Friday night between 5 and 7.30pm at Featherston School. Thank you to those who have offered to make soup and supply bread rolls, and I will contact you at the start of next week to finalise details. At this stage we don't have many of our families going along and that is a shame as it's sure to be such a great evening! If you haven't yet returned the form that says whether your child/ren will come along to Featherston School for the Festival next Friday night, please return it on Monday. Our children are taking part in a combined waiata and haka performance with the other two Featherston Schools. It hasn't been confirmed yet, but this performance is likely to be around 5.45-6pm so we will need to have everyone there no later than 5.30pm. Please note that today was the last day for paid hangi orders.

Learning Conferences: These will be held on Tuesday 4th and Wednesday 5th July, in the last week of this term. Next week, I'll send out a link to an online appointment booking form where you will be able to choose a time for you to see your child's teacher to discuss the interim reports, which will come home to you on Friday 30 June. There will be a learning conference 'slot' for each child, rather than one per family, as has been the case. Jo and I will be able to help you with this appointment booking process if need be.

Technology for Y7 and 8s: A reminder that the last 3 days for Y7/8 technology this term are Monday 19 June, Monday 26 June and Monday 10 July.

Final Assembly for Term 2: Our final assembly for this term will be on Friday 7 July. It will be a very special assembly where one of our students will be receiving an external award. The ukulele group will also perform. We would love as many of you as possible to come along! Assembly starts at 2pm. Please join us if you can!

Ngā mihi nui
