Ag Fair/Lamb & Calf Day!!
Saturday 21 October

And so it's now the last day of Term 3 already, which leaves only a total of nine weeks of school in 2017!!

Ag Fair and Lamb & Calf Day 2017: We are into the final run up to our annual major fundraiser. We now have to hope that this continual rain decides to blow back over the Tasman and leave us a dry weekend for the 21st October!! There is still plenty to do - you may well get a phone call from one of our 'Friends' committee members asking for your help.

Community Raffle Donations: We still have plenty of room in the wheelbarrow for more donations for the raffle – the first week of next term will be the last opportunity for you to drop things into school. You can do this right up to Friday, 20th October.

Volunteers for the lead up to and the day of the 2017 SFS Ag Fair: We still need more volunteers to help out on the day of the Ag Fair. Please contact this year's Fair organiser **Candida Stevens** via email, which is candidastevens@hotmail.com to confirm your help. Talk to her about where or how you can help out and she will allocate you to a place.

2017 School Term Dates

Term 3 24 July – 29 Sept

Term 4 16 Oct – 15 Dec

2018 School Term Dates

Day One Term 1 1 February

Baking for the Café: We will be running a café again this year during the Ag Fair. As usual, please send your cakes, muffins, slices along to school on the Friday. Alternatively, you can bring your baking along on the morning of the Fair and drop it into the staffroom. We greatly appreciate your help in this area – the café is always proves to be a very popular part of the day! With the weather we had last year, it was the warmest, driest place, and there really was standing room only . . . !!

Stalls at our Ag Fair: This year the FSFS Committee have agreed to open the stalls up to 'outsiders'. If you or anyone you know would like to have a stall at this year's Ag Fair, the process is a little different from previous years – you will need to fill in a 'Stall Holders Request' form. Please email Jo at the school office and she will send you one.

Our Whole School Inquiry and Environmentally Friendly 'Wares': Our students continue to look into ways that we can be more environmentally friendly. Over the past couple of weeks, they have been designing and decorating 'Boomerang Bags' to replace plastic bags for supermarket shopping, and making bees wax food wrappers to replace plastic food wrap – both of which are for sale. There will be a stall at the Ag Fair, run by our students, so make sure you come and see the things they have made to help in their fight against pollution!
