Welcome back! We have 9 weeks of school left in 2017!

New students: Our roll continues to grow! A huge welcome to Monty Miller-Holley, who began his school learning journey with us in Susan's room on Monday, and also welcome to Shylah-Rose Stephenson, who has joined us in Room 2, having recently moved to Featherston from Wellington.

Ag Fair and Lamb & Calf Day 2017: THIS IS HAPPENING THIS SATURDAY!

We are desperate for more helpers for this Friday for Ag Fair set up and also to help out during the day on Saturday! The school organises this annual event so that we can provide a large and varied number of learning opportunities for your children, without having to ask parents/whanau to cover costs. It enables us to ensure equitable access to these events and activities for all children, regardless of their families' financial positions. Please think of how you can do your bit to support us, and ultimately you and your child's learning. On the following page, there is a list of those areas we still need help with. Please phone us here on 3089433 and let us know what you can help with.

Wheelbarrow Raffle Donations: We still have way too much room left in the wheelbarrow sitting in the foyer! Please continue to send in your household goods and items right up until this Friday. . .

Raffle Ticket money and unsold tickets: Please get all raffle money and unsold tickets back to school **no later than Friday morning!** The raffle is drawn during the Ag Fair, with prizes given out as soon as possible afterwards.

Baking for the Staffroom Café: We are again running a café in the staffroom this year during the Ag Fair. As usual, please send your cakes, muffins, slices along to school on Friday, please. Alternatively, you can bring your baking along on the morning of the Fair and drop it into the staffroom. We greatly appreciate your help in this area – the café always proves to be extremely popular!

Sand saucers: The children loved having this activity in the lead up to the Ag Fair/Lamb & Calf Day last year! This will happen here at school on Friday. We will supply a plastic plate per child, but everything else they may need, whether that is a special container or tray, flowers and/or other bits and pieces that they may want to include in their diorama, will need to be brought from home. Please put everything into a named plastic bag and send it to school on Friday morning with your child.

SEE YOU ON SATURDAY!!
