Week 4 already. . .

We need your help! We are now into a very busy last 6 weeks of school. I respectfully ask that you read any notices that come home, along with these newsletters, so that you are all fully aware of what is happening, and when. We require parental permission and support for much of what is taking place, and it takes up a huge amount of time to follow up individual parents/whānau who don't send in permission returns, or respond to our notices.

Parent Teacher Calendar App: We are always looking at ways to improve our communication with you, and how to make it easier for you to receive notices and newsletters from school. Earlier in the year, we sent instructions on how to download the 'Parent Teacher Calendar App'. We have attached those instructions again to this newsletter. Please take the time to download it so that you have another way to access all information regarding upcoming events. If you need any help, just give us a call.

Featherston Cluster Athletics Day: This is taking place this Thursday from 9.20am, for all our students, at the Card Reserve in Featherston. Pete sent a notice to you all about this last week and I have followed up today by sending another personalised notice home to those we haven't heard back from yet. We need your parent form back tomorrow, please!

Assembly this Friday: We have an assembly this Friday at 2.15pm. It has been really nice having parents and family come along to share in the celebration of our children's work and achievements . . . We really would love to see more of you here, if possible!

School Photos: These will take place on Tuesday 21 November.

The Epro8 Challenge continues! We have two teams that have qualified for the finals being held at Maidstone Intermediate later this month – a Y7/8 team and a Y5/6 team. Pete will be sending home more information for those involved closer to the time.

Room 2 Learning Conferences: This year, due to the fact that Emma-Jayne and her family are leaving to go overseas, we are offering early Learning Conferences to the parents of children in Room 2. The website for you to book an interview is now 'live'. Please follow the instructions in the letter that came home to you yesterday. Learning Conferences for the parents/whānau of children in the other two rooms will be held during the last week of this term. Information will come home to you closer to that time.
