About four weeks ago, I had a delegation of our older girls come to me and say "Mrs Klaricich, how come we don't do anything at school for netball? We do Rippa Rugby, hockey, football and basketball - why not netball?" Well, that got me thinking and so I rang a very old family friend who is the CEO of Sport Wellington (which also covers the Wairarapa) to see what might be available to us. My thoughts are something like a morning workshop with some top NZ netballers, which we might be able to open up to other team members in our girls teams too. I'll keep you informed with how this pans out. I might be putting a call out for some mums to bake up a storm for a morning tea or lunch for them!

Talking things netball . . . We have recently been told of a netball tournament that might be taking place next Tuesday at Kuranui College. We are able to field a team from our school if we include our Year 5 and 6s and make it a mixed team girls/boys. Pete has asked which children are keen to take part, and if it is going ahead on Tuesday, a letter will come home with them about that today. Apologies for late notice - we can only action these things when we get told about them!

Regional Cross Country: As you are aware, Tuesday's cross country event at Tauherenikau was postponed to tomorrow. The organiser are hoping that the ground dries out enough to go ahead but, as always, we will let you know via Skool App and our Facebook page if it has been cancelled again. A letter will come home to you from Pete today about that as well.

Head lice: With this unseasonal weather, we are having a few parents telling us that there are a number of cases of head lice (nits) in our school at the moment. Please see the attached information sheet to give you some ideas of what can be done to clear the "mechanised dandruff"!!

Wai Waste: The wonderful Allan Maxwell rang me the other day and told me he has ongoing access to 'rescued' food. He has asked me to have any of our whānau that would like to receive food like bread, cold meats, etc, to register by ringing our school to do so. I'll pass on your details and he will organise a daily drop off of the food to those interested people. What a fabulous initiative! I'm sure the food will help to make a huge difference in some homes.
