Please remember to notify the school office of any absences before 9am each day.

Please remember to **SLOW DOWN to 40kms** between the signs near our school.
 Remember you must also **SLOW DOWN to 20kms** when passing a stationary school bus!!
 Please remind your child to wear their High Vis Vest!

We are into the last two and a half weeks of the term already. . . This particular term is well known for being the toughest and longest term, due to the weather usually. However, we have actually been pretty lucky in that area! We still have the Hockey Tournament Day up at Clareville tomorrow (Thursday) involving 21 of our students, so fingers crossed for another beautiful sunny spring day!

Hockey Tournament Day: Transport is sorted for the children heading up to Clareville tomorrow. A huge thank you to the parents who have volunteered to take children up and back, and will stay to help oversee a team. The families of those involved will have received at least two letters from Pete on this. It is really important to remember that players will need a mouth guard and shin pads for their own safety.

Epro8 Technology Challenge: We have two teams entered into the Epro8 Technology Challenge this year – a Y5/6 team (this takes place in Masterton next Thursday) and a Y7/8 team (this takes place in Greytown next Thursday evening). Those children chosen to represent our school will have a letter coming home by the end of this week.

Ag Fair Raffle donations: A reminder that our 'First Prize Wheelbarrow' is in serious need of being filled up. It's not too far away from when we start selling the raffle tickets, so please send in your non-perishable food items and other items that you think would be good in there.

Jars needed for pickled onions and relish: Please send in your empty jars . . . members of our 'Friends' committee are ready to start filling them!

Ag Fair helpers: Remember to ring us at school to volunteer your time during the lead up to, or for a period of time on the day of the Fair. We really need loads of people to help on the day. You may well be shoulder-tapped by one of the 'Friends' committee members too. . . !

White Elephant stall: See the attached flyer for information about the White Elephant stall criteria and drop off points.

Kapahaka Festival: Our school is taking part in this year's Wairarapa-wide Kapahaka Festival, which is happening at Wairarapa College on Thursday 27 September. Our very own kapahaka group have been working really hard on their skills and singing, and are looking amazing! Our whole school will travel up there that day by bus, and will support our small performing group on stage. We will also get to watch a good number of other school's performances too, which I'm sure all our children will find totally inspirational! I will send out a timetable in next week's newsletter so that if anyone wants to travel up to watch our performance, you can.

Room 3 Water Quality Inquiry: This takes place over the next two Tuesdays. This is in conjunction with "Mountains to the Sea", Wellington
