

Process for filling Parent Trustee Vacancy

From the South Featherston Board of Trustees;

At the last board meeting held on Wednesday 23rd October, the trustees resolved to fill the parent trustee vacancy **by- selection**. If within 28 days after this notice, more than 10% of our eligible voters ask the board NOT to fill the vacancy **by-selection**, we will hold a **bi-election**.

If less than 10% ask for a bi-election, then we can make a selection within 6 weeks of the end of the 28 day notification period.

If more than 10% of eligible voters ask for a bi-election, a returning officer will be appointed and a bi-election will be held in accordance with the rules and regulations governing a school board of trustee's election.

If you would like to make a submission regarding this please email the South Featherston School Board of Trustees at sfsbot@sfs.school.nz to be received no later than 17th December 2019.
